2. At the request of the Clayton Police Department, **(Tow Company)** shall tow the vehicles to **(the specified tow storage lot)**, or designated storage area provided by the **(Tow Company)**, or a designated storage area provided by the Clayton Police Department. The place of storage will be at the Clayton Police Department’s discretion.
3. **(Tow Company)** shall provide services hereunder for all vehicles weighing up to 80,000 GVW.
4. **(Tow Company)** shall not respond to the scene of a traffic crash for the purpose of providing services unless contacted by the Clayton Police Department or a third party having a direct interest in such traffic crash. Violation of this provision shall be sufficient cause for termination of this Agreement.
5. **(Tow Company)** shall not charge fees in excess of the following:

**Types of Vehicles and Towing Charges**

During the term of this agreement, **(Tow Company)** may charge no more than the maximum tow fee of One Hundred Forty Five Dollars **(\$145.00)** for any standard tow of any vehicle or motorcycle less than 8000 GVW and may charge no more than a maximum tow fee of One Hundred Forty Five Dollars **(\$145.00)** for requested flatbed service. Vehicles over 80,000 pounds gross weight are not addressed by this agreement and would require proper equipment.

### **Labor Rate Fee**

1. Extricating a vehicle from snow or mud;
2. Winching a vehicle to the highway from over an embankment;
3. Four-wheel lift or dolly job;

Twenty Dollars (**\$20.00**) per quarter hour for a vehicle under 8000 GVW.

### 6. **Dead Runs**

The call is to be considered a dead run if the wrecked or illegally parked vehicle is not physically removed by the Tow Company from where it was standing but the company was called and was en route. This is the case even though it may have been hooked up to the tow truck or the request for a Tow truck is canceled after the tow truck is en route. Receipts will be issued when collecting for dead runs and shall contain the name of the Tow Company and individual acting on behalf of the Tow Company. For the purpose of this Agreement, any vehicle disabled on the traveled portion of the berm or a roadway capable of being removed by a service truck or a tow truck shall be considered a straight ordinary tow job.

When the owner or operator of a vehicle requests his/her vehicle be towed to a location other than that of the Tow Company or Tow Company storage area, an additional charge of **\$3.50** or less per mile shall be permitted to be charged by the Tow Company in addition to the straight tow job. All charges must be computed on any distance the tow truck must travel as compared to the distance to the Tow Company's lot or storage area. If it is no further than it is from the actual scene to the Tow Company's lot or storage area, then no additional charge may be made. The actual additional miles traveled in one direction shall determine the permissible additional mileage charge.

9. **No Additional Charges Are to be Made for Any of the Following:**

No additional charges shall be made by the Tow Company for any work required to prepare the vehicle for towing, except as stated above. This shall include the following as necessary preparation for towing:

2. Loading or tying on parts; or
3. Any other work required, not specifically mentioned under the heading Additional Charges Permitted.

10. **Owners Request:**

Nothing in this agreement precludes the owner or operator of a vehicle from requesting a towing service of their choice.

The owner or operator shall be responsible for the fees set forth above. If the vehicle is towed to the Clayton Police Department in connection with a criminal investigation, Clayton Police shall be responsible for payment if the owner or operator fails to make such payment, subject to the limitations set forth in Section 13 below. The Clayton Police shall be responsible for payment to the Tow Agency for a dead run call, as defined in Section 6 of this Agreement, if the Police requests services from the Tow Company, but releases the vehicle prior to the time the Tow Company truck arrives without advising Tow Company prior to arrival not to respond. If the Police advise Tow Company not to respond at any time prior to arrival at the scene, then Clayton Police shall not be responsible for a dead run call.

11. The Tow Company shall retain all records made in connection with Services provided at the request of the Clayton Police for the term of this Agreement. The Tow Company shall provide the Police with access to such records at all reasonable times.
12. The Tow Company shall not release any vehicle stored at the request of the Clayton Police, without an **Order to Release** form or verbal confirmation from the Clayton Police Department. 13. If a vehicle upon which the Tow Company provided services is sold at auction and the Tow Company was not compensated for services provided by the owner or operator, the Tow Company shall be paid for the services from the proceeds of the auction or sale to the extent the proceeds from such auction or sale are sufficient to cover the Tow Company expenses. If the amount received from the auction or sale of the vehicle is less than the expenses incurred by the Tow Company under the terms of this Agreement, the City of Clayton shall not be liable to the Tow Company for any deficiency.
14. Unclaimed Vehicles shall be disposed of in accordance with Ohio Revised Code 4513.60, 4513.61, 4513.62, and 4513.63. The City of Clayton shall however, defend any suit or prosecution against the Tow Company, its owners, officers, and employees, insofar as such suit is based upon the claim that the illegally parked, inoperable, or the impounded vehicle involved was wrongfully ordered to be towed away or impounded by Clayton Police. The Tow Company hereby assumes all liability to the vehicle owners for any damage or thefts to or from the vehicle being towed or stored through negligence or misconduct of the Tow Company owners, officers, or employees.

  - F. **If the laws of the State of Ohio require greater insurance coverage amounts than specified herein, then Tow Company shall comply with State law requirements.**
17. There shall be no assignment of any rights or duties under this Agreement by the Tow Company without previous written approval of the Clayton City Manager and the Clayton Police Department. It is agreed that without such approval any purported assignment to or assumption by a third party of responsibilities under this agreement shall not be considered a defense to or mitigation of the legal liability of the Tow Company so assigning for breach of this Agreement.
