(ORC 1.51)

- (c) (1) If ordinances enacted at different meetings of Council are irreconcilable, the ordinance latest in date of enactment prevails.
- (2) If amendments to the same ordinance are enacted at different meetings of Council, one amendment without reference to another, the amendments are to be harmonized, if possible, so that effect may be given to each. If the amendments are substantively irreconcilable, the latest in date of enactment prevails. The fact that a later amendment restates language deleted by an earlier amendment, or fails to include language inserted by an earlier amendment, does not of itself make the amendments irreconcilable. Amendments are irreconcilable only when changes made by each cannot reasonably be put into simultaneous operation.
- (ORC 1.52)

 - (4) A result feasible of execution is intended.
- (ORC 1.47)

(b) An ordinance is presumed to be prospective in its operation unless expressly made retrospective.

(ORC 1.48)

- (c) If an ordinance is ambiguous, the court, in determining the intention of Council may consider among other matters:
- (1) The object sought to be attained;
 - (2) The circumstances under which the ordinance was enacted;
 - (3) The legislative history;
 - (4) The common law or former legislative provisions, including laws upon the same or similar subjects;
 - (5) The consequences of a particular construction;
 - (6) The administrative construction of the ordinance.
- (ORC 1.49)

101.08 SEVERABILITY.

If any provision of a section of the Codified Ordinances or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the other provisions or applications of the section or related sections which can be given effect without the invalid provision or application, and to this end the provisions are severable.

(ORC 1.50)

101.99 GENERAL PENALTY.

Whenever, in the Codified Ordinances or in any ordinance of the Municipality, any act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or whenever the doing of any act is required or the failure to do any act is declared to be unlawful, where no specific penalty is otherwise provided, whoever violates any such provision shall be punished by a fine not exceeding one hundred dollars (\$100.00). (Ord. O-02-03-02. Approved by voters May 6, 2003.)

181.04 DETERMINATION OF ALLOCATION OF TAX.

(a) Method of Determination. In the taxation of income which is subject to municipal income taxes, if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the Municipality shall disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business or profession conducted within the boundaries of the Municipality, then only such portion shall be considered as having taxable situs in the Municipality for the purposes of municipal income taxation. The portion of the entire net profits of a taxpayer to be allocated as having been derived from within the Municipality, in the absence of actual records thereof, shall be determined as follows:

Multiply the entire net profits by a business allocation percentage to be determined by a three-factor formula of property, payroll and sales, each of which shall be given equal weight, as follows:

- (1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average net book value of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, "real property" includes property rented or leased by the taxpayer and the value of such property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.

- (2) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the Municipality to wages, salaries and other compensation paid during the same period to person employed in the business or profession, wherever their services are performed, but excluding compensation that is not taxable by the Municipality under Section 718.01 of the Ohio Revised Code or any successor statute.
- (3) Gross receipts of the business or profession from sales made and services performed during the taxable period in the Municipality to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce an equitable result.

(b) Sales Made in Municipality. As used in subsection (a)(3) above, "sales made in the Municipality" means:

- (1) All sales of tangible personal property which is delivered within the Municipality regardless of where title passes if shipped or delivered from a stock of goods within the Municipality;
- (2) All sales of tangible personal property which is delivered within the Municipality, regardless of where title passes even though transported from a point outside the Municipality, if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the Municipality and the sales result from such solicitation or promotion;
- (3) All sales of tangible personal property which is shipped from a place within the Municipality to purchasers outside of the Municipality, regardless of where title passes, if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(c) Total Allocation. Add together the percentages determined in accordance with subsections (a)(1), (2) and (3) above or such of the aforesaid percentages as are applicable to the particular taxpayer and divide the total so obtained by the number of percentages used in deriving such total in order to obtain the business allocation percentage referred to above.

A factor is applicable even though it may be allocable entirely in or outside the Municipality.

(d) Rentals. Rental income received by a taxpayer shall be included in the computation of net profits from business activities under Section 181.03(a)(3), (4) and (5) pertaining to "Rate and Income Taxable", only if and to the extent that the rental, ownership, management or operation of the real estate from which such rentals are derived (whether so rented, managed or operated by a taxpayer individually or through agents or other representatives) constitutes a business activity of the taxpayer in whole or in part.

Where the gross monthly rental of any and all real properties, regardless of number and value, aggregate in excess of two hundred fifty and dollars (\$250.00) per month, it shall be prima facie evidence that the rental, ownership, management or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax; provided that in the case of commercial property, the owner shall be considered engaged in a business activity when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds two hundred fifty dollars (\$250.00) per month; provided further that in the case of farm property, the owner shall be considered engaged in a business activity when he shares in crops or when the rental is based on a percentage of the gross or net receipts derived from the farm, whether or not the gross income exceeds said \$250.00 per month; and provided further that the person who operates a licensed rooming house shall be considered in business whether or not the gross income exceeds \$250.00 per month.

(e) Operating Loss Carry-Forward.

- (1) The portion of a net operating loss sustained in any taxable year commencing on or subsequent to January 1, 2004, allocable to the Municipality may be applied against the portion of the profit of succeeding tax years allocable to the Municipality, until exhausted, but in no event for more than five taxable years immediately following the year in which the loss occurred. No portion of a net operating loss shall be carried back against net profits of any prior year.
- (2) The portion of net operating loss sustained shall be allocated to the Municipality in the same manner as provided herein for allocating net profits to the Municipality.
- (3) The Administrator shall provide by rules and regulations the manner in which such net operating loss carry-forward shall be determined.
(Ord. O-02-03-02. Passed 2-6-03.)

181.05 EXEMPTIONS.

(a) Sources of Income Not Taxed. The tax provided for herein shall not be levied on the following:

- (1) Military pay or allowances of the armed forces of the United States and members of their reserve components, including the Ohio National Guard or the income of religious, fraternal, charitable, scientific, literary or education institutions to the extent that such income is derived from tax-exempt real estate, tax-exempt tangible or intangible property or tax-exempt activities.

(b) No Deletion of Exemptions. An exemption described in subsection (a) may be revoked only if a majority of the electors voting thereon vote in favor of such revocation. (Ord. O-02-03-02. Passed 2-6-03.)

181.06 RETURNS.

(a) When Return Required to Be Made. Each taxpayer shall, whether or not a tax be due thereon, make and file a return on or before April 30 of the year following the effective date of this section and on or before April 30 of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed within four (4) months from the end of such fiscal year or period.

In accordance with rules and regulations prescribed by the Administrator, the filing of returns by taxpayers whose taxes have already been received in full by the Municipality pursuant to withholding at the source, may be waived.

(b) Form And Contents of Return. The return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from such Administrator, setting forth:

- (1) The aggregate amounts of salaries, wages, commissions and other activity, less allowable expenses incurred in the acquisition of such gross income earned during the preceding year and subject to such tax;
- (2) The amount of the tax imposed by this chapter on such earnings and profits; and
- (3) Such other pertinent statements, information returns, or other information as the Administrator may require. (Ord. 0-02-03-02. Passed 2-6-03.)
- (4) Manager's obligation. Every manager is deemed to be a trustee of this Municipality in collecting and holding the tax required under this chapter to be withheld, and the funds so collected by such withholding are deemed to be trust funds. Every manager is liable directly to this Municipality for payment of such trust, whether actually collected by such employer or not. Any tax deducted and withheld is to be considered paid to this Municipality, whether or not the employer actually remits the tax to this Municipality, for purposes of determining employee payments or credits.
 - A. All managers shall be personally liable to the extent of the tax, interest and penalty, jointly and severally, for failure to file the employer's return or to pay the employer's tax, interest and penalty as required under this chapter.
 - B. No change in structure by an employer, including a fundamental change, discharges its managers from liability for the employees' or manager's failure to remit funds held in trust, to file a tax return or to pay taxes. (Ord. 0-11-11-11. Passed 12-1-11.)

(c) Extension of Time For Filing Returns. The Administrator may extend the time for filing of the annual return upon the request of the taxpayer for a period of not to exceed six months, or one month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the federal income tax return. The Administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due. No penalty or interest shall be assessed in those cases in which the return is filed and the final tax paid with the period as extended.

(d) Consolidated Returns.

- (1) Filing consolidated returns may be permitted or required in accordance with rules and regulations prescribed by the Administrator.
- (2) In the case of a corporation that carried on transactions with its stockholders or with other corporations related by stock ownership, interlocking directorates, or some other method, or in the case any person operates a division, branch, factory, office, laboratory or activity within the Municipality constituting a portion only of its total business, the Administrator shall require such additional information as he may deem necessary to ascertain whether net profits are properly allocated to the Municipality. If the Administrator finds that net profits are not properly allocated to the Municipality by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates or transactions with such division, branch, factory, office, laboratory or activity or by some other method, he shall make such allocation as he deems appropriate to produce a fair and proper allocation of net profits to the Municipality.

(e) Amended Returns.

- (1) Where necessary, an amended return must be filed in order to report additional taxable income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements, limitations or both contained in appropriate sections of this chapter. Such amended return shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.
- (2) Within three months from the final determination of arty federal tax liability affecting the taxpayer's municipal tax liability, such taxpayer shall make and file an amended municipal return showing income subject to the municipal tax based upon such final determination of federal tax liability, and pay any additional tax shown due thereon or make claim for refund of any overpayment. (Ord. O-02-03-02. Passed 2-6-03.)

181.07 PAYMENT OF TAX.

(a) Payment of Tax on Filing of Returns.

- (1) The taxpayer making a return shall, at the time of filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, however, that:

- (2) A taxpayer who has overpaid the amount of tax to which the Municipality is entitled under the provisions of this chapter may have such overpayment applied against any subsequent liability hereunder, or at his election, indicated on the return, such overpayment (or any part thereof) shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1.00) shall be collected or refunded.

(b) Collection at Source.

- (1) In accordance with rules and regulations prescribed by the Administrator, and any applicable provisions of the Ohio Revised Code, each employer within or doing business within the Municipality shall deduct, at the time of the payment of such salary, wages, commission or other compensation, the tax of one and one half percent (1.50%) per annum of the gross salaries, wages, commissions or other compensation due by the said employer to said employee and shall, on or before the last day of each month, make a return and pay to the Administrator the amount of taxes so deducted during the previous month; provided, however, that if the amount of the tax so deducted by any employer in any one month is less than \$100.00, the employer may defer the filing of a return and payment of the amount deducted until the last day of the month following the end of the calendar quarter in which such month occurred.
- (2) Said returns shall be on a form or forms prescribed or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. - (3) Such employer in collecting said tax shall be deemed to hold the same until payment is made by such employer to the Municipality as a trustee for the benefit of the Municipality and any such tax collected by such employer from his employees shall, until the same is paid to the Municipality, be deemed a trust fund in the hands of such employer.
- (4) No person shall be required to withhold the tax on wages or other compensation paid domestic servants employed by him exclusively in or about such person's residence, even though such residence is in the Municipality, but such employee shall be subject to all of the requirements of the chapter.

(c) Declarations of Income Not Collected at Source. Any person whose income tax is not fully withheld in the Municipality or in another municipality in which taxes are withheld at a rate the same as or higher than the rate provided in this chapter hereof shall file a declaration setting forth estimated taxable income, including distributive shares of net profits or unincorporated business entities estimated to be earned by the taxpayer during the current tax year, together with the estimated tax due thereon less:

- (1) When the taxable income of a resident of the Municipality of Clayton is subject to a municipal income tax in another Municipality on the same income taxable under this chapter, such resident shall be allowed a credit of the amount of income tax paid on such taxable income to such other Municipality, equal to one hundred percent (100%) of the amount obtained by multiplying the lower of the tax rate of such other Municipality or of the Municipality of Clayton by the taxable income earned in or attributable to the Municipality of employment or business activity. For the purposes of this section, taxable income shall include the distributive share of net profits of a resident partner or owner of an unincorporated business entity.
- (2) A claim for credit or refund under this section shall be made in such manner as the Administrator may by regulation provide. In the event such Clayton resident fails, neglects, or refuses to file an annual return or declaration on the form prescribed by the Administrator, he shall not be entitled to such credit or refund and shall be considered in violation of this chapter for failure to file a return.

(b) Claim For Refund. Taxes erroneously paid shall not be refunded unless a claim for refund is made within three (3) years from the date on which such payment was made or the return was due, or within three months after the final determination of the federal tax liability, whichever is later.

- (2) Whenever any provision of this chapter is determined by the Administrator or the Board of Review to be in conflict with provisions of the Ohio Revised Code and the provisions of this chapter and the applicable sections of the Ohio Revised Code cannot be construed to give effect to both, the provisions of the Ohio Revised Code shall control. This provision shall not be construed to prevent the City from litigating the applicability or validity of any statute, and when such litigation is instituted by the City or any other person or entity, this Section shall not preclude a challenge as to the validity of any provisions of the Ohio Revised Code.

(f) Authority to Arrange Installment Payments. The Administrator is authorized to arrange for the payment of unpaid taxes, interest and penalties on a schedule of installment payments, when the taxpayer has proved to the Administrator that, due to certain hardship conditions, he is unable to pay the full amount of the tax due. Such authorization shall not be granted until proper returns are filed by the taxpayer for all amounts owed by him under this chapter.

Failure to make any deferred payment when due shall cause the total unpaid amount, including penalty and interest, to become payable on demand.

In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Administrator may determine the amount of tax appearing to be due the Municipality from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined together with interest and penalties thereon, if any.

(h) Authority to Make Investigation. The Administrator, or any authorized employee, is hereby authorized to examine the books, papers, records and federal income tax returns of any employer or of any taxpayer or person subject to, or whom the Administrator believes is subject to, the provisions of this chapter, for the purpose of verifying the accuracy of any return made, or if no return was made, to ascertain the tax due under this chapter. Every such employer, supposed employer, taxpayer or supposed taxpayer is hereby directed and required unless otherwise privileged to furnish upon written request by the Administrator, or his duly authorized agent or employee, the means, facilities and opportunity for making such examinations and investigations as are hereby authorized.

(i) Authority to Request And to Compel Production of Records. The Administrator is hereby authorized to utilize provisions of the Internal Revenue Code, including but not limited to Title 26 U.S. C. Section 6103 or any successor statute to obtain copies of federal tax returns and related return information from the Internal Revenue Service in the furtherance of collection of taxes due under this chapter. The Administrator is further authorized to order any person presumed to have knowledge of the facts to appear before him and may examine such person, under oath, concerning any income which was or should have been returned for taxation or any transaction tending to affect such income, and for this purpose may compel the production of books, papers, records and federal income tax returns and the attendance of all persons before him, whether as parties or witnesses, whenever he believes such persons have knowledge of such income or information pertinent to such inquiry.

(j) Refusal to Produce Records. The refusal without privilege to produce books, papers, records and federal income tax returns, or the refusal to submit to such examination by any employer or persons subject or presumed to be subject to the tax or by any officer, agent or employee of a person subject to the tax or required to withhold tax or the failure of any person to comply with the provisions of this chapter or with an order or subpoena of the Administrator authorized hereby shall be deemed a violation of this chapter punishable as provided in this chapter.

(k) Confidential Nature of Information. Any information gained as the result of any returns, investigations, hearings or verifications required or authorized by this chapter shall be confidential except for official purposes, or except in accordance with proper judicial order or otherwise required by law. The Council may authorize the administration of the provisions of this chapter by way of a contract with a regional council of government, another municipal corporation or any other public agency with the necessary powers to administer an income tax. The Council may authorize the Municipality to join in the creation of or to join in an existing council of governments or other joint public agency for the purpose of the administration of the tax levied by this chapter or subsequent ordinances, if any.

(Ord. O-02-03-02. Passed 2-6-03.)

183.03 DEFINITIONS.

Any term used in this chapter that is not otherwise defined in this chapter has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII (57) of the Ohio Revised Code, unless a different meaning is clearly required. If a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII (57) of the Ohio Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII (57) of the Ohio Revised Code.

For purposes of this Section, the singular shall include the plural, and the masculine shall include the feminine and the gender-neutral.

As used in this chapter:

- (1) **"ADJUSTED FEDERAL TAXABLE INCOME,"** for a person required to file as a C corporation, or for a person that has elected to be taxed as a C corporation under division 23(D) of this section, means a C corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, adjusted as follows:
 - (A) Deduct intangible income to the extent included in federal taxable income. The deduction shall be allowed regardless of whether the intangible income relates to assets used in a trade or business or assets held for the production of income.
 - (B) Add an amount equal to five per cent of intangible income deducted under division (1)(A) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in section 1221 of the Internal Revenue Code;

- (C) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;
- (D)
 - (i) Except as provided in division (1)(D)(ii) of this section, deduct income and gain included in federal taxable income to the extent the income and gain directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;
 - (ii) Division (1)(D)(i) of this section does not apply to the extent the income or gain is income or gain described in section 1245 or 1250 of the Internal Revenue Code.
- (E) Add taxes on or measured by net income allowed as a deduction in the computation of federal taxable income;
- (F) In the case of a real estate investment trust or regulated investment company, add all amounts with respect to dividends to, distributions to, or amounts set aside for or credited to the benefit of investors and allowed as a deduction in the computation of federal taxable income;
- (G) Deduct, to the extent not otherwise deducted or excluded in computing federal taxable income, any income derived from a transfer agreement or from the enterprise transferred under that agreement under section 4313.02 of the Ohio Revised Code;
- (H)
 - (i) Except as limited by divisions (1)(H)(ii), (iii) and (iv) of this section, deduct any net operating loss incurred by the person in a taxable year beginning on or after January 1, 2017.
The amount of such net operating loss shall be deducted from net profit that is reduced by exempt income to the extent necessary to reduce municipal taxable income to zero, with any remaining unused portion of the net operating loss carried forward to not more than five consecutive taxable years following the taxable year in which the loss was incurred, but in no case for more years than necessary for the deduction to be fully utilized.
 - (ii) No person shall use the deduction allowed by division (1)(H) of this section to offset qualifying wages.
 - (iii)
 - (a) For taxable years beginning in 2018, 2019, 2020, 2021, or 2022, a person may not deduct, for purposes of an income tax levied by a municipal corporation that levies an income tax before January 1, 2016, more than fifty per cent of the amount of the deduction otherwise allowed by division (1)(H)(i) of this section.
 - (b) For taxable years beginning in 2023 or thereafter, a person may deduct, for purposes of an income tax levied by a municipal corporation that levies an income tax before January 1, 2016, the full amount allowed by division (1)(H)(i) of this section.
 - (iv) Any pre-2017 net operating loss carryforward deduction that is available must be utilized before a taxpayer may deduct any amount pursuant to division (1)(H) of this section.
 - (v) Nothing in division (1)(H)(iii)(a) of this section precludes a person from carrying forward, for use with respect to any return filed for a taxable year beginning after 2018, any amount of net operating loss that was not fully utilized by operation of division (1)(H)(iii)(a) of this section. To the extent that an amount of net operating loss

that was not fully utilized in one or more taxable years by operation of division (1)(H)(iii)(a) of this section is carried forward for use with respect to a return filed for a taxable year beginning in 2019, 2020, 2021, or 2022, the limitation described in division (1)(H)(iii)(a) of this section shall apply to the amount carried forward.

(I) Deduct any net profit of a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that net profit in the group's federal taxable income in accordance with division (E)(3)(b) of Section 183.063 of this Chapter.

 - (d) "Pre-2017 Net Operating Loss Carryforward" is defined in Section 183.03 (32) of this Chapter.
- (B) "Municipal Taxable Income" for a nonresident of the Municipality is calculated as follows:
 - (1) "Income" reduced by "Exempt Income" to the extent such exempt income is otherwise included in income, as applicable, apportioned or sitused to the Municipality as provided in Section 183.062 of this Chapter, reduced by allowable employee business expense deduction as found in (20)(B) of Section 183.03 of this Chapter, further reduced by any "Pre-2017 Net Operating Loss Carryforward" equals "Municipal Taxable Income".
 - (a) "Income" is defined in Section 183.03(14) of this Chapter.
 - (i) "Qualifying Wages" is defined in Section 183.03(34).
 - (ii) "Net profit" is included in "income", and is defined in Section 183.03(23) of this Chapter. This section also provides that the net operating loss carryforward shall be calculated and deducted in the same manner as provided in division (1)(H) of Section 183.03. "Net profit" for a nonresident individual includes any net profit of the nonresident, but excludes the distributive share of net profit or loss of only pass through entity owned directly or indirectly by the nonresident.
 - (iii) "Pass Through Entity" is defined in Section 183.03(27).
 - (b) "Exempt Income" is defined in Section 183.03(11) of this Chapter.
 - (c) "Apportioned or sitused to the Municipality as provided in Section 183.062 of this Chapter" includes the apportionment of net profit income attributable to work done or services performed in the Municipality. Treatment of net profits received by an individual taxpayer from rental real estate is provided in Section 183.062(E).
 - (d) "Allowable employee business expense deduction" as described in (20)(B) of Section 183.03 of this Chapter, is subject to the limitations provided in that section. For a nonresident of the Municipality, the deduction is limited to the extent the expenses are related to the performance of personal services by the nonresident in the Municipality.
 - (e) "Pre-2017 Net Operating Loss Carryforward" is defined in Section 183.03(32) of this Chapter. (Ord. 0-11-15-16. Passed 11-19-15.)

183.042 DOMICILE.

(A) As used in this section:

- (1) "Domicile" means the true, fixed and permanent home of the taxpayer to which whenever absent, the taxpayer intends to return.
- (2) An individual is presumed to be domiciled in the Municipality for all or part of a taxable year if the individual was domiciled in the Municipality on the last day of the immediately preceding taxable year or if the tax administrator reasonably concludes that the individual is domiciled in the Municipality for all or part of the taxable year.
- (3) An individual may rebut the presumption of domicile described in division (A)(1) of this section if the individual establishes by a preponderance of the evidence that the individual was not domiciled in the Municipality for all or part of the taxable year.

(B) For the purpose of determining whether an individual is domiciled in the Municipality for all or part of a taxable year, factors that may be considered include, but are not limited to, the following:

- (1) The individual's domicile in other taxable years;
- (2) The location at which the individual is registered to vote;

- (7) The primary location at which the individual is employed.

- (9) The number of contact periods the individual has with the Municipality. For the purposes of this division, an individual has one "contact period" with the Municipality if the individual is away overnight from the individual's abode located outside of the Municipality and while away overnight from that abode spends at least some portion, however minimal, of each of two consecutive days in the Municipality. For purposes of this section, the State's contact period test or bright-line test and resulting determination have no bearing on municipal residency or domicile.

(C) All applicable factors are provided in Ohio Revised Code Section 718.012.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.043 EXEMPTION FOR MEMBER OR EMPLOYEE OF GENERAL ASSEMBLY AND CERTAIN JUDGES.

183.05 COLLECTION AT SOURCE.

183.051 COLLECTION AT SOURCE; WITHHOLDING FROM QUALIFYING WAGES.

- (A) (1) Each employer, agent of an employer, or other payer located or doing business in the Municipality shall withhold from each employee an amount equal to the qualifying wages of the employee earned by the employee in the Municipality multiplied by the applicable rate of the Municipality's income tax, except for qualifying wages for which withholding is not required under section 183.052 of this Chapter or division (D) or (F) of this section. An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.
- (2) In addition to withholding the amounts required under division (A)(1) of this section, an employer, agent of an employer, or other payer may also deduct and withhold, on the request of an employee, taxes for the municipal corporation in which the employee is a resident.
(Ord. 0-11-15-16. Passed 11-19-15.)
- (B) (1) An employer, agent of an employer, or other payer shall remit to the Tax Administrator of the Municipality the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer, along with any report required by the Tax Administrator to accompany such payment, according to the following schedule:
- (a) Any employer, agent of an employer, or other payer not required to make payments under division (B)(1)(b) of this section of taxes required to be deducted and withheld shall make quarterly payments to the Tax Administrator not later than the last day of the month following the last day of each calendar quarter.
- (b) Taxes required to be deducted and withheld shall be remitted monthly to the Tax Administrator if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the municipal corporation in the preceding calendar year exceeded two thousand three hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the Municipality in any month of the preceding calendar quarter exceeded two hundred dollars. Payments under division (B)(1)(b) of this section shall be made to the Tax Administrator not later than fifteen days after the last day of each month.
(Ord. 0-08-16-16. Passed 9-1-16.)

(C) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the Tax Administrator. A return filed by an employer, agent, or other payer under this division shall be accepted by the Municipality as the return required of an employee whose sole income subject to the tax under this chapter is the qualifying wages reported by the employee's employer, agent of an employer, or other payer, unless the Municipality requires all resident individual taxpayers to file a tax return under section 183.091 of this Chapter.

(D) An employer, agent of an employer, or other payer is not required to withhold municipal income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

- (E) (1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.
- (2) The failure of an employer, agent of an employer, or other payer to remit to the Municipality the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

(F) Compensation deferred before June 26, 2003, is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(G) Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for the Municipality until such time as the withheld amount is remitted to the Tax Administrator.

(H) On or before the last day of February of each year, an employer shall file a Withholding Reconciliation Return with the Tax Administrator listing the names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for the Municipality during the preceding calendar year, the amount of tax withheld, if any, from each such employee's qualifying wage, the total amount of qualifying wages paid to such employee during the preceding calendar year, the name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year, any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee, and other information as may be required by the Tax Administrator.

(I) The officer or the employee of the employer, agent of an employer, or other payer with control or direct supervision of or charged with the responsibility for withholding the tax or filing the reports and making payments as required by this section, shall be personally liable for a failure to file a report or pay the tax due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.

(J) An employer is required to deduct and withhold municipal income tax on tips and gratuities received by the employer's employees and constituting qualifying wages only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.

(K) A Tax Administrator shall consider any tax withheld by an employer at the request of an employee when such tax is not otherwise required to be withheld by this Chapter to be tax required to be withheld and remitted for the purposes of this section.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.052 COLLECTION AT SOURCE; OCCASIONAL ENTRANT.

(A) The following terms as used in this section:

- (1) "Employer" includes a person that is a related member to or of an employer.
- (2) "Professional athlete" means an athlete who performs services in a professional athletic event for wages or other remuneration.
- (3) "Professional entertainer" means a person who performs services in the professional performing arts for wages or other remuneration on a per-event basis.
- (4) "Public figure" means a person of prominence who performs services at discrete events, such as speeches, public appearances, or similar events, for wages or other remuneration on a per-event basis.
- (5) "Fixed location" means a permanent place of doing business in this state, such as an office, warehouse, storefront, or similar location owned or controlled by an employer.
- (6) "Worksite location" means a construction site or other temporary worksite in this state at which the employer provides services for more than twenty days during the calendar year. "Worksite location" does not include the home of an employee.
- (7) "Principal place of work" means the fixed location to which an employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.
If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division (B)(1)(a) of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal

allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be deemed in accordance with division (B)(2) of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

- (B) (1) Subject to divisions (C), (E), (F), and (G) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:
- (a) The employee's principal place of work is located in the Municipality.
 - (b) The employee performed services at one or more presumed worksite locations in the Municipality. For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:
 - (i) The nature of the services are such that it will require more than twenty days of actual services to complete the services;
 - (ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.
 - (c) The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in section 183.051 of this Chapter.
 - (d) The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure within the Municipality.
- (2) For the purposes of division (B)(1) of this section, an employee shall be considered to have spent a day performing services in a municipal corporation only if the employee spent more time performing services for or on behalf of the employer in that municipal corporation than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:
- (a) Traveling to the location at which the employee will first perform services for the employer for the day;
 - (b) Traveling from a location at which the employee was performing services for the employer to any other location;

- (c) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;
- (d) Transporting or delivering property described in division (B)(2)(c) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;
- (e) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(C) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with this chapter, the exception from withholding requirements described in division (B)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.

- (D)
 - (1) Except as provided in division (D)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in a municipal corporation exceeds the twenty-day threshold described in division (B)(1) of this section, the employer shall withhold and remit tax to that municipal corporation for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in that municipal corporation.
 - (2) An employer required to begin withholding tax for a municipal corporation under division (D)(1) of this section may elect to withhold tax for that municipal corporation for the first twenty days on which the employer paid qualifying wages to the employee for personal services performed in that municipal corporation.
 - (3) If an employer makes the election described in division (D)(2) of this section, the taxes withheld and paid by such an employer during those first twenty days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.

(E) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in Section 183.03 of this Chapter. To determine whether an employer qualifies as a small employer for a taxable year, a Tax Administrator may require the employer to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.

(F) Divisions (B)(1) and (D) of this section shall not apply to the extent that a Tax Administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of section 183.051 of this Chapter.

(G) In the case of a person performing personal services at a petroleum refinery located in a municipal corporation that imposes a tax on income, an employer is not required to withhold municipal income tax on the qualifying wages of such a person if the person performs those services on twelve or fewer days in a calendar year, unless the principal place of work of the employer is located in another municipal corporation in this state that imposes a tax applying to compensation paid to the person for services performed on those days and the person is not liable to that other municipal corporation for tax on the compensation paid for such services. For the purposes of this division, a petroleum refinery is a facility with a standard industrial classification code facility classification of 2911, petroleum refining.

Notwithstanding division (D) of this section, if, during a calendar year, the number of days an individual performs personal services at a petroleum refinery exceeds twelve, the employer shall withhold tax for the municipal corporation for the first twelve days for which the employer paid qualifying wages to the individual and for all subsequent days in the calendar year on which the individual performed services at the refinery. (Ord. 0-11-15-16. Passed 11-19-15.)

183.053 COLLECTION AT SOURCE; CASINO AND VLT.

(A) The Municipality shall require a casino facility or a casino operator, as defined in Section 6(C)(9) of Article XV, Ohio Constitution, and section 3772.01 of the Ohio Revised Code, respectively, or a lottery sales agent conducting video lottery terminals sales on behalf of the state to withhold and remit municipal income tax with respect to amounts other than qualifying wages as provided in this section.

(B) If a person's winnings at a casino facility are an amount for which reporting to the internal revenue service of the amount is required by section 6041 of the Internal Revenue Code, as amended, the casino operator shall deduct and withhold municipal income tax from the person's winnings at the rate of the tax imposed by the municipal corporation in which the casino facility is located.

(C) Amounts deducted and withheld by a casino operator are held in trust for the benefit of the municipal corporation to which the tax is owed.

- (1) On or before the tenth day of each month, the casino operator shall file a return electronically with the Tax Administrator of the Municipality, providing the name, address, and social security number of the person from whose winnings amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the winnings from which each such amount was withheld, the type of casino gaming that resulted in such winnings, and any other information required by the Tax Administrator. With this return, the casino operator shall remit electronically to the Municipality all amounts deducted and withheld during the preceding month.
- (2) Annually, on or before the thirty-first day of January, a casino operator shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the casino facility is located, indicating the total amount deducted and withheld during the preceding calendar year. The

casino operator shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

- (3) Annually, on or before the thirty-first day of January, a casino operator shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted from the person's winnings during the preceding year. The casino operator shall provide to the Tax Administrator a copy of each information return issued under this division. The administrator may require that such copies be transmitted electronically.
- (4) A casino operator that fails to file a return and remit the amounts deducted and withheld shall be personally liable for the amount withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.
- (5) If a casino operator sells the casino facility or otherwise quits the casino business, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor shall withhold an amount of the purchase money that is sufficient to cover the amounts deducted and withheld along with any penalties and interest thereon until the predecessor casino operator produces either of the following:
 - (a) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;
 - (b) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.
- (6) The failure of a casino operator to deduct and withhold the required amount from a person's winnings does not relieve that person from liability for the municipal income tax with respect to those winnings.

(D) If a person's prize award from a video lottery terminal is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(E) Amounts deducted and withheld by a video lottery sales agent are held in trust for the benefit of the municipal corporation to which the tax is owed.

- (1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

- (2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the Tax Administrator of the Municipality providing the names, addresses, and social security numbers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the Tax Administrator. With the return, the video lottery sales agent shall remit electronically to the Tax Administrator all amounts deducted and withheld during the preceding month.
- (3) A video lottery sales agent shall maintain a record of all receipts issued under division (E) of this section and shall make those records available to the Tax Administrator upon request. Such records shall be maintained in accordance with section 5747.17 of the Ohio Revised Code and any rules adopted pursuant thereto.
- (4) Annually, on or before the thirty-first day of January, each video lottery terminal sales agent shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.
- (5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the Tax Administrator of the municipal corporation a copy of each information return issued under this division. The Tax Administrator may require that such copies be transmitted electronically.
- (6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(F) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

- (1) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

- (2) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(G) The failure of a video lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve that person from liability for the municipal income tax with respect to that prize award.

(H) If a casino operator or lottery sales agent files a return late, fails to file a return, remits amounts deducted and withheld late, or fails to remit amounts deducted and withheld as required under this section, the Tax Administrator of a municipal corporation may impose the following applicable penalty:

- (1) For the late remittance of, or failure to remit, tax deducted and withheld under this section, a penalty equal to fifty per cent of the tax deducted and withheld;
- (2) For the failure to file, or the late filing of, a monthly or annual return, a penalty of five hundred dollars for each return not filed or filed late. Interest shall accrue on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Ohio Revised Code.

(I) Amounts deducted and withheld on behalf of a municipal corporation shall be allowed as a credit against payment of the tax imposed by the municipal corporation and shall be treated as taxes paid for purposes of section 183.07 of this Chapter. This division applies only to the person for whom the amount is deducted and withheld.

(J) The Tax Administrator shall prescribe the forms of the receipts and returns required under this section. (Ord. 0-11-15-16. Passed 11-19-15.)

- (A) "Income" reduced by "Exempt Income" to the extent otherwise included in income, multiplied by apportionment, further reduced by any "Pre-2017 Net Operating Loss Carryforward" equals "Municipal Taxable Income".
- (1) "Income" for a taxpayer that is not an individual means the "Net Profit" of the taxpayer.
 - (i) "Net Profit" for a person other than an individual is defined in Section 183.03(23).
 - (ii) "Adjusted Federal Taxable Income" is defined in Section 183.03(1) of this Chapter.

 - (4) "Pre-2017 Net Operating Loss Carryforward" is defined in Section 183.03(32) of this Chapter. (Ord. 0-11-15-16. Passed 11-19-15.)

**183.062 NET PROFIT; INCOME SUBJECT TO NET PROFIT TAX;
ALTERNATIVE APPORTIONMENT**

This section applies to any taxpayer engaged in a business or profession in the Municipality unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745 of the Ohio Revised Code.

- (A) Net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:
- (1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.
As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;
 - (2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section 183.052 of this Chapter.
 - (3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.
- (B) (1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator of the Municipality may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:
- (a) Separate accounting;
 - (b) The exclusion of one or more of the factors;
 - (c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;
 - (d) A modification of one or more of the factors.
- (2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by division (A) of Section 183.19 of this Chapter.

- (3) The Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of Section 183.19 of this Chapter.
 - (4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by The Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.
- (C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:
- (1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:
 - (a) The employer;
 - (b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;
 - (c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.
 - (2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;
 - (3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If a Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.
- (D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:
- (1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:
 - (a) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.
 - (b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.

- (c) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
 - (2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.
 - (3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.
 - (4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.
 - (5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.
- (E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.
- (F)
 - (1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.
 - (2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such credit is allowed under Section 183.081 of this Chapter.
- (G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (11)(L) and (34)(A)(iv) of Section 183.03 of this Chapter, by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

- (H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity. (Ord. 0-11-15-16. Passed 11-19-15.)

(A) As used in this section:

- (1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

 - (4) "Incumbent local exchange carrier" has the same meaning as in section 4927.01 of the Revised Code.
 - (5) "Local exchange telephone service" has the same meaning as in section 5727.01 of the Revised Code.
- (B) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year.
- (a) The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law.
 - (b) The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (B)(2) of this section; or
 - (c) A taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.

- (2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.
- (3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

(C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.

(D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

- (E)
 - (1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section 183.03(1) of this Chapter, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.
 - (2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (1) of 183.03 of this Chapter to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.
 - (3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:
 - (a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 183.062 of this Chapter, exclude the property, payroll, and gross receipts of

the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

- (b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 183.062 of this Chapter, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.
- (4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:
 - (a) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in Section 183.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;
 - (b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(F) Corporations filing a consolidated municipal income tax return shall make the computations required under Section 183.062 of this Chapter by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(G) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

(H) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016. (Ord. 0-11-15-16. Passed 11-19-15.)

- (B) (1) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:
- (a) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date. If the taxpayer establishes the dates on which all amounts were actually withheld, the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.
 - (b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
 - (c) A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.
 - (d) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Ohio Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

- (2) Taxpayers filing joint returns shall file joint declarations of estimated taxes.
 - (3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (G) of Section 183.091 of this Chapter or on or before the fifteenth day of the fourth month of the first taxable year after the taxpayer becomes subject to tax for the first time.
 - (4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month after the beginning of each fiscal year or period.
 - (5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

 - (d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the tax liability for the taxable year.
- (2) A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates. The amended declaration must be filed on the next applicable due date as outlined in (C)(1)(a) through (d) of this section.
- (3) On or before the fifteenth day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with section 183.091 of this Chapter.
- (a) For taxpayers who are individuals, or who are not individuals and are reporting and filing on a calendar year basis, the annual tax return is due on the same date as the filing of the federal tax return, unless extended pursuant to division (G) of section 5747.08 of the Revised Code.
 - (b) For taxpayers who are not individuals, and are reporting and filing on a fiscal year basis or any period other than a calendar year, the annual return is due on the fifteenth day of the fourth month following the end of the taxable year or period.

- (4) An amended declaration is required whenever the taxpayer's estimated tax liability changes during the taxable year. A change in estimated tax liability may either increase or decrease the estimated tax liability for the taxable year.
- (D) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to section 183.10 of this Chapter upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:
- (a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (b) For the second payment of estimated taxes each year, forty-five per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (d) For the fourth payment of estimated taxes each year, ninety per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.
- (2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.
- (E) An underpayment of any portion of tax liability determined under division (D) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:
- (1) The amount of estimated taxes that were paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.
 - (2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under Section 183.091 of this Chapter for that year.
 - (3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.
- (F) A Tax Administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors. (Ord. 0-11-15-16. Passed 11-19-15.)

183.082 REFUNDABLE CREDIT FOR QUALIFYING LOSS.**(A) As used in this section:**

- (1) "Nonqualified deferred compensation plan" means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.
- (2)
 - (a) Except as provided in division (A)(2)(b) of this section, "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan.
 - (b) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (A)(2)(a) of this section computed without regard to division (A)(2)(b) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.
 - (c) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.

- (3) "Qualifying tax rate" means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.
- (B) (1) Except as provided in division (D) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.
- (2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.
- (3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.
- (4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.
- (C) (1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.
- (2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer.
- (D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:
- (1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or
- (2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.
(Ord. 0-11-15-16. Passed 11-19-15.)

(B) Income tax that should have been deposited or paid to the Municipality, but was deposited or paid to another municipal corporation, shall be subject to collection and recovery by the Municipality. To the extent a refund of such tax or withholding is barred by the limitation on refunds as provided in section 183.096, the Municipality will allow a non-refundable credit equal to the tax or withholding paid to the other municipality against the income tax the Municipality claims is due. If the Municipality's tax rate is higher, the tax representing the net difference of the tax rates is also subject to collection by the Municipality, along with any penalty and interest accruing during the period of nonpayment.

(C) No carryforward of credit will be permitted when the overpayment is beyond the three-year limitation for refunding of same as provided in Section 183.096 of this Chapter.

(D) Nothing in this section requires a Municipality to allow credit for tax paid to another municipal corporation if the Municipality has reduced credit for tax paid to another municipal corporation. - (2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040 and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.
- (3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.
- (4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available,

- submit the documents electronically through the Ohio business gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate Tax Administrator.
- (5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.
 - (6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of undocumented credits or losses.
- (G) (1) (a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section 5747.08 of the Ohio Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (b) Except as otherwise provided in this chapter, each annual net profit income tax return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the Tax Administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year or period. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality or Tax Administrator.
- (c) In the case of individual income tax return required to be filed by an individual, and net profit income tax return required to be filed by a taxpayer who is not an individual, no remittance is required if the amount shown to be due is ten dollars or less.
- (2) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the Municipality in accordance with this chapter, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.
- (3) With respect to taxpayers to whom Section 183.092 of this Chapter applies, to the extent that any provision in this division conflicts with any provision in Section 183.092 of this Chapter, the provision in Section 183.092 of this Chapter prevails.

- (H) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is ten dollars or less.
- (2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (H)(1) of this section shall file with the Municipality an annual net profit return under division (F)(3) and (4) of this section. (Ord. 0-11-15-16. Passed 11-19-15.)
- (I) (1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.
- (2) If a payment under this chapter is made by electronic funds transfer, the payment shall be considered to be made on the date of the timestamp assigned by the first electronic system receiving that payment. (Ord. 0-08-16-16. Passed 9-1-16.)

(J) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in section 183.051 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(K) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.

(L) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality or Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter and of the Municipality's Ordinance or resolution governing the filing of returns, reports, or documents.

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.

- (N) (1) As used in this division, "worksite location" has the same meaning as in section 183.052 of this chapter.
- (2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:
- (a) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within the municipal corporation, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as provided by this chapter. The Tax Administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this chapter.
 - (b) The person no longer provides services in the municipal corporation, and does not expect to be subject to the municipal corporation's income tax for the taxable year.
The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.
 - (c) If a person submits an affidavit described in division (N)(2) of this section, the Tax Administrator shall not require the person to file any tax return for the taxable year unless the Tax Administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services

provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this chapter relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the Tax Administrator for the taxable year. Nothing in division (N) of this section prohibits the tax administrator from performing an audit of the person.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.092 RETURN AND PAYMENT OF TAX; INDIVIDUALS SERVING IN COMBAT ZONE.

(A) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Administrator of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality in accordance with this chapter during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eligibility for the extension.

- (B) (1) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the one hundred eighty-first day after the applicant's active duty or service terminates. Except as provided in division (B)(3) of this section, the Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate.
- (2) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the one hundred eighty-first day after the applicant's active duty or service terminates.
- (3) Taxes paid pursuant to a contract entered into under division (B)(1) of this section are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.
- (C) (1) Nothing in this division denies to any person described in this division the application of divisions (A) and (B) of this section.
- (2) (a) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this chapter. The length of any extension granted under division (C)(2)(a) of this section shall

be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this section, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.

- (b) Taxes the payment of which is extended in accordance with division (C)(2)(a) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division (C)(2)(a) of this section in calculating the penalty or interest due on any unpaid tax.

(D) For each taxable year to which division (A), (B), or (C) of this section applies to a taxpayer, the provisions of divisions (B)(2) and (3) or (C) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year. (Ord. 0-11-15-16. Passed 11-19-15.)

183.093 USE OF OHIO BUSINESS GATEWAY; TYPES OF FILINGS AUTHORIZED.

(A) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file any municipal income tax return or, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.

(B) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.

(C) Nothing in this section affects the due dates for filing employer withholding tax returns or deposit of any required tax.

(D) The use of the Ohio Business Gateway by municipal corporations, taxpayers, or other persons does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. The State of Ohio shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.

(E) Nothing in this section shall be construed as limiting or removing the authority of any municipal corporation to administer, audit, and enforce the provisions of its municipal income tax. (Ord. 0-11-15-16. Passed 11-19-15.)

183.094 EXTENSION OF TIME TO FILE.

(A) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(B) Any taxpayer that qualifies for an automatic federal extension for a period other than six-months for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as that of the extended federal income tax return.

(C) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(D) An extension of time to file under this chapter is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(E) If the State Tax Commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Ohio Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return. (Ord. 0-11-15-16. Passed 11-19-15.)

183.095 AMENDED RETURNS.

- (A) (1) A taxpayer shall file an amended return with the Tax Administrator in such form as the Tax Administrator requires if any of the facts, figures, computations, or attachments required in the taxpayer's annual return to determine the tax due levied by the Municipality in accordance with this chapter must be altered.
- (2) Within sixty days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, that taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is ten dollars or less.
- (3) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Administrator before filing the amended return.

- (B) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars or less, such amount need not accompany the amended return. Except as provided under division (B)(2) of this section, the amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless the applicable statute of limitations for civil actions or prosecutions under section 183.19 of this Chapter has not expired for a previously filed return.
- (2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened.
- (C) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division (A)(2) of this section for filing the amended return even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is ten dollars or less, no refund need be paid by the Municipality to the taxpayer. Except as set forth in division (C)(2) of this section, a request filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless it is also filed within the time prescribed in section 183.096 of this Chapter. Except as set forth in division (C)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.
- (2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened. (Ord. 0-11-15-16. Passed 11-19-15.)

183.096 REFUNDS.

(A) Upon receipt of a request for a refund, the Tax Administrator of the Municipality, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:

- (1) Overpayments of more than ten dollars;
- (2) Amounts paid erroneously if the refund requested exceeds ten dollars.
- (B) (1) Except as otherwise provided in this chapter, returns setting forth a request for refund shall be filed with the Tax Administrator, within three years after the tax was due or paid, whichever is later. Any documentation that substantiates the taxpayer's claim for a refund must be included with the return filing. Failure to remit all documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses or other pertinent factors on the return will cause delay in processing, and / or disallowance of undocumented credits or losses.

- (2) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division (B)(3) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.
- (3) If a Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under Section 183.18 of this Chapter.

(C) A request for a refund that is received after the last day for filing specified in division (B) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

- (1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.
- (2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.
- (3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

(D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in division (A)(4) of Section 183.10 of this Chapter.

(E) As used in this section, "withholding tax" has the same meaning as in section 183.10 of this Chapter. (Ord. 0-11-15-16. Passed 11-19-15.)

183.10 PENALTY, INTEREST, FEES, AND CHARGES.

(A) As used in this section:

- (1) "Applicable law" means this chapter, the resolutions, ordinances, codes, directives, instructions, and rules adopted by the Municipality provided such resolutions, ordinances, codes, directives, instructions, and rules impose or directly or indirectly address the levy, payment, remittance, or filing requirements of a municipal income tax.

 - (5) "Return" includes any tax return, report, reconciliation, schedule, and other document required to be filed with a Tax Administrator or municipal corporation by a taxpayer, employer, any agent of the employer, or any other payer pursuant to applicable law, including at any time before January 1, 2016.

- (B) (1) This section shall apply to the following:
- (a) Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;
 - (b) Income tax, estimated income tax, and withholding tax required to be paid or remitted to the Municipality on or after January 1, 2016 for taxable years beginning on or after January 1, 2016
- (2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules, as adopted from time to time before January 1, 2016 of this Municipality.
- (C) The Municipality shall impose on a taxpayer, employer, any agent of the employer, and any other payer, and will attempt to collect, the interest amounts and penalties prescribed in this section when the taxpayer, employer, any agent of the employer, or any other payer for any reason fails, in whole or in part, to make to the Municipality timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the Municipality any return required to be filed.

- (1) Interest shall be imposed at the rate defined as "interest rate as described in division (A) of this section", per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax. This imposition of interest shall be assessed per month, or fraction of a month.
- (2) With respect to unpaid income tax and unpaid estimated income tax, a penalty equal to fifteen percent of the amount not timely paid shall be imposed.
- (3) With respect to any unpaid withholding tax, a penalty equal to fifty percent of the amount not timely paid shall be imposed.

(E) With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not refund or credit any penalty, amount of interest, charges, or additional fees that were properly imposed or collected before January 1, 2016.

(F) The Tax Administrator may, in the Tax Administrator's sole discretion, abate or partially abate penalties or interest imposed under this section when the Tax Administrator deems such abatement or partial abatement to be appropriate. Such abatement or partial abatement shall be properly documented and maintained on the record of the taxpayer who received benefit of such abatement or partial abatement.

(G) The Municipality shall impose on the taxpayer, employer, any agent of the employer, or any other payer the Municipality's post-judgment collection costs and fees, including attorney's fees. (Ord. 0-11-15-16. Passed 11-19-15.)

183.11 AUDIT.

(A) At or before the commencement of an audit, as defined in Section 183.03(3) of this Chapter, the Tax Administrator shall provide to the taxpayer a written description of the roles of the Tax Administrator and of the taxpayer during an audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of tax. At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.

(B) Except in cases involving suspected criminal activity, the Tax Administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

(C) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

(D) A taxpayer may record, electronically or otherwise, the audit examination.

(E) The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.

(F) If the Tax Administrator fails to substantially comply with the provisions of this section, the Tax Administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest arising from the audit. (Ord. 0-11-15-16. Passed 11-19-15.)

183.12 ROUNDING.

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be dropped, rounding down to the nearest whole dollar. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document. (Ord. 0-11-15-16. Passed 11-19-15.)

183.13 AUTHORITY AND POWERS OF THE TAX ADMINISTRATOR.

- (F) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with section 183.062 of this Chapter;
- (G) Make all tax findings, determinations, computations, assessments and orders the Tax Administrator is by law authorized and required to make and, pursuant to time limitations provided by law, on the Tax Administrator's own motion, review, redetermine, or correct any tax findings, determinations, computations, assessments or orders the Tax Administrator has made, but the Tax Administrator shall not review, redetermine, or correct any tax finding, determination, computation, assessment or order which the Tax Administrator has made for which an appeal has been filed with the Local Board of Tax Review or other appropriate tribunal, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;
- (H) Destroy any or all returns or other tax documents in the manner authorized by law;
- (I) Enter into an agreement with a taxpayer to simplify the withholding obligations described in section 183.051 of this Chapter.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.132 AUTHORITY OF TAX ADMINISTRATOR; COMPROMISE OF CLAIM AND PAYMENT OVER TIME.

(A) As used in this section, "claim" means a claim for an amount payable to the Municipality that arises pursuant to the municipal income tax imposed in accordance with this chapter.

(B) The Tax Administrator may do either of the following if such action is in the best interests of the Municipality:

- (1) Compromise a claim;
- (2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments, upon such terms and conditions as the Tax Administrator may require.

(C) The Tax Administrator's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.

(D) A compromise or payment-over-time agreement with respect to a claim shall be binding upon and shall inure to the benefit of only the parties to the compromise or agreement, and shall not extinguish or otherwise affect the liability of any other person.

- (E) (1) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.
- (2) The Tax Administrator shall have sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or payment-over-time agreement.

(F) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not a payment-over-time agreement will be authorized. The taxpayer's failure to provide the necessary and required information by the Tax Administrator shall preclude consideration of a payment-over-time agreement. (Ord. 0-11-15-16. Passed 11-19-15.)

183.133 AUTHORITY OF TAX ADMINISTRATOR; RIGHT TO EXAMINE.

(A) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this Chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this Chapter. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer, employer, or other person that is subject to, or that The Tax Administrator believes is subject to, the provisions of this Chapter shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Administrator of a municipal corporation may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.

(C) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal and state income tax returns under this section shall fail to comply.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.134 AUTHORITY OF TAX ADMINISTRATOR; REQUIRING IDENTIFYING INFORMATION.

(A) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

- (B) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to section 183.10 of this Chapter, in addition to any applicable penalty described in section 183.99 of this Chapter.
- (2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division (A) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Administrator from imposing a penalty pursuant to section 183.10 of this Chapter.
- (3) The penalties provided for under divisions (B)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 183.99 of this Chapter for a violation of 183.15 of this Chapter, and any other penalties that may be imposed by the Tax Administrator by law.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.14 CONFIDENTIALITY.

(A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by ORC 718 or by the charter or ordinance of the Municipality is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by ORC 718 or the charter or ordinance authorizing the levy. The Tax Administrator of the Municipality or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the Internal Revenue Service, the State Tax Commissioner, and Tax Administrators of other municipal corporations.

(B) This section does not prohibit the Municipality from publishing or disclosing statistics in a form that does not disclose information with respect to particular taxpayers.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.15 FRAUD.

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by municipal corporation ordinance or state law to be filed with the Tax Administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the Municipality or the Tax Administrator. (Ord. 0-11-15-16. Passed 11-19-15.)

183.16 OPINION OF THE TAX ADMINISTRATOR.

(A) An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.

(B) A taxpayer may submit a written request for an opinion of the Tax Administrator as to whether or how certain income, source of income, or a certain activity or transaction will be taxed. The written response of the Tax Administrator shall be an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in accordance with divisions (C), (G), and (H) of this section, provided all of the following conditions are satisfied:

- (1) The taxpayer's request fully and accurately describes the specific facts or circumstances relevant to a determination of the taxability of the income, source of income, activity, or transaction, and, if an activity or transaction, all parties involved in the activity or transaction are clearly identified by name, location, or other pertinent facts.
- (2) The request relates to a tax imposed by the Municipality in accordance with this Chapter.
- (3) The Tax Administrator's response is signed by the Tax Administrator and designated as an "opinion of the Tax Administrator."

(C) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:

- (1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;
- (2) The effective date of any amendment or enactment of a relevant section of the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;
- (3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance;

- (4) If the opinion of the Tax Administrator was based on the interpretation of federal law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;
 - (5) The effective date of any change in the taxpayer's material facts or circumstances;
 - (6) The effective date of the expiration of the opinion, if specified in the opinion.
- (D) (1) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.
- (2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of section 183.15 of this Chapter.
- (E) If a Tax Administrator provides written advice under this section, the opinion shall include a statement that:
- (1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section;
 - (2) It is the duty of the taxpayer to be aware of such changes.
- (F) The Tax Administrator may refuse to offer an opinion on any request received under this section.
- (G) This section binds a Tax Administrator only with respect to opinions of the Tax Administrator issued on or after January 1, 2016.
- (H) An opinion of a Tax Administrator binds that Tax Administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Administrator of any other municipal corporation.
- (I) A Tax Administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the Tax Administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.
- (J) An opinion of the Tax Administrator issued under this section or a refusal to offer an opinion under subsection (F) may not be appealed.
(Ord. 0-11-15-16. Passed 11-19-15.)

183.17 ASSESSMENT; APPEAL BASED ON PRESUMPTION OF DELIVERY.

- (A) (1) The Tax Administrator shall serve an assessment either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Ohio Revised Code.

- (2) The Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Such alternative delivery method must be authorized by the person subject to the assessment.
 - (3) Once service of the assessment has been made by the Tax Administrator or other municipal official, or the designee of either, the person to whom the assessment is directed may protest the ruling of that assessment by filing an appeal with the Local Board of Tax Review within sixty days after the receipt of service. The delivery of an assessment of the Tax Administrator as prescribed in Section 718.18 of the Revised Code is prima facie evidence that delivery is complete and that the assessment is served.
- (B)
- (1) A person may challenge the presumption of delivery and service as set forth in this division. A person disputing the presumption of delivery and service under this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.
 - (2) If a person elects to appeal an assessment on the basis described in division (B)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the Tax Administrator or other municipal official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the Local Board of Tax Review. (Ord. 0-11-15-16. Passed 11-19-15.)

183.18 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX REVIEW.

- (A) (1) The legislative authority of the Municipality shall maintain a Local Board of Tax Review to hear appeals as provided in Ohio Revised Code Chapter 718.
- (2) The Local Board of Tax Review shall consist of three members. The three members of the Local Board of Tax Review must be domiciled in the Municipality.

Two members shall be appointed by the legislative authority of the Municipality, and may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the top administrative official of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

- (3) The term for members of the Local Board of Tax Review appointed by the legislative authority of the Municipality shall be two years. There is no limit on the number of terms that a member may serve should the member be reappointed by the legislative authority. The board member appointed by the top administrative official of the Municipality shall serve at the discretion of the administrative official.
- (4) Members of the board of tax review appointed by the legislative authority may be removed by the legislative authority as set forth in Section 718.11(A)(4) of the Revised Code.
- (5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.
- (6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.
- (7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.
- (8) No member of the Local Board of Tax Review shall receive compensation for service on the board. Upon prior approval of Council, expenses incurred by members in connection with the performance of their duties thereunder may be reimbursed.
- (9) A member of a Local Board of Tax Review shall not be appointed to or serve on another such board simultaneously.

(B) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.

(C) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty days after the taxpayer receives the assessment.

(D) The Local Board of Tax Review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under division (C) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and/or may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.

(E) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in section 5717.011 of the Ohio Revised Code.

(F) The Local Board of Tax Review created pursuant to this section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a record of its transactions. The rules governing the Local Board of Tax Review procedures shall be in writing, and may be amended as needed by the Local Board of Tax Review. Such records are not public records available for inspection under section 149.43 of the Ohio Revised Code. For this reason, any documentation, copies of returns or reports, final determinations, or working papers for each case must be maintained in a secure location under the control of the Tax Administrator. No member of the Local Board of Tax Review may remove such documentation, copies of returns or reports, final determinations, or working papers from the hearing. Hearings requested by a taxpayer before a Local Board of Tax Review created pursuant to this section are not meetings of a public body subject to section 121.22 of the Ohio Revised Code. For this reason, such hearings shall not be open to the public, and only those parties to the case may be present during the hearing. (Ord. 0-11-15-16. Passed 11-19-15.)

183.19 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS.

- (A) (1) (a) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the latter of:
- (i) Three years after the tax was due or the return was filed, whichever is later; or
 - (ii) One year after the conclusion of the qualifying deferral period, if any.
- (b) The time limit described in division (A)(1)(a) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (C) of this section.

- (2) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:
- (a) Beginning on the date a person who is aggrieved by an assessment files with a Local Board of Tax Review the request described in Section 183.18 of this Chapter. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Local Board of Tax Review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.
 - (b) Ending the later of the sixtieth day after the date on which the final determination of the Local Board of Tax Review becomes final or, if any party appeals from the determination of the Local Board of Tax Review, the sixtieth day after the date on which the final determination of the Local Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.

(B) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five per cent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.

(C) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in Section 183.096 of this Chapter.

- (D) (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the Municipality does not prejudice any claim for refund upon final determination of the appeal.
- (2) If upon final determination of the appeal an error in the assessment is corrected by the Tax Administrator, upon an appeal so filed or pursuant to a final determination of the Local Board of Tax Review created under Section 183.18 of this Chapter, of the Ohio board of tax appeals, or any court to which the decision of the Ohio board of tax appeals has been appealed, so that the amount due from the party assessed under the corrected assessment is less than the amount paid, there shall be issued to the appellant or to the appellant's assigns or legal representative a refund in the amount of the overpayment as provided by Section 183.096 of this Chapter, with interest on that amount as provided by division (D) of this section.

(E) No civil action to recover municipal income tax or related penalties or interest shall be brought during either of the following time periods:

- (1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;
 - (2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.
- (Ord. 0-11-15-16. Passed 11-19-15.)

183.20 ADOPTION OF RULES.

(A) Pursuant to Section 718.30 of the Revised Code, the Municipality, pursuant to this Chapter, grants authority to the Tax Administrator to adopt rules to administer the income tax imposed by the Municipality.

(B) All rules adopted under this section shall be published and posted on the internet. (Ord. 0-11-15-16. Passed 11-19-15.)

183.30 FILING NET PROFIT TAXES; ELECTION TO BE SUBJECT TO PROVISIONS OF CHAPTER.

(A) A taxpayer may elect to be subject to sections 183.30 to 183.45 of the Codified Ordinances in lieu of the provisions set forth in the remainder of this chapter. Notwithstanding any other provision of this chapter, upon the taxpayer's election, both of the following shall apply:

- (1) The state tax commissioner shall serve as the sole administrator of the municipal net profit tax for which the taxpayer as defined in 183.31(C) of the Codified Ordinances is liable for the term of the election;
- (2) The commissioner shall administer the tax pursuant to sections 718.80 to 718.95 of the Revised Code, sections 183.30 to 183.45 of the Codified Ordinances, and any applicable provision of Chapter 5703. of the Revised Code.

- (B)
- (1) A taxpayer shall make the initial election on or before the first day of the third month after the beginning of the taxpayer's taxable year by notifying the tax commissioner and the City of Clayton on a form prescribed by the tax commissioner.
 - (2)
 - (a) The election, once made by the taxpayer, applies to the taxable year in which the election is made and to each subsequent taxable year until the taxpayer notifies the tax commissioner and the City of Clayton of its termination of the election.
 - (b) A notification of termination shall be made, on a form prescribed by the tax commissioner, on or before the first day of the third month of any taxable year.
 - (c) Upon a timely and valid termination of the election, the taxpayer is no longer subject to sections 183.30 to 183.45 of the Codified Ordinances, and is instead subject to the provisions set forth in the remainder of this chapter.

(C) The tax commissioner shall enforce and administer sections 183.30 to 183.45 of the Codified Ordinances. In addition to any other powers conferred upon the tax commissioner by law, the tax commissioner may:

- (1) Prescribe all forms necessary to administer those sections;
- (2) Adopt such rules as the tax commissioner finds necessary to carry out those sections;
- (3) Appoint and employ such personnel as are necessary to carry out the duties imposed upon the tax commissioner by those sections.

(D) The tax commissioner shall not be considered a tax administrator, as that term is defined in section 718.01 of the Revised Code and Section 183.03 of the Clayton Codified Ordinances. (Ord. 0-02-18-03. Passed 2-15-18.)

183.31 DEFINITIONS.

If a term used in sections 183.30 to 183.45 of the Codified Ordinances that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall have control over the use of the term in Title LVII of the Revised Code, unless the term is defined in Chapter 5703. of the Revised Code, in which case the definition in that chapter shall control. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States related to federal income taxes. If a term is defined in both this section and section 183.03 of the Codified Ordinances, the definition in this section shall control for all uses of that term in sections 183.30 to 183.45 of the Codified Ordinances.

As used in sections 183.30 to 183.45 of the Codified Ordinances only:

- (A) "Municipal taxable income" means income apportioned or sitused to the municipal corporation under section 183.32 of the Codified Ordinances, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.
- (B) "Adjusted federal taxable income," for a person required to file as a C corporation, or for a person that has elected to be taxed as a C corporation as described in division (D)(5) of section 718.01 of the Revised Code and section 183.03 of the Codified Ordinances, means a C corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, adjusted as follows:
 - (1) Deduct intangible income to the extent included in federal taxable income. The deduction shall be allowed regardless of whether the intangible income relates to assets used in a trade or business or assets held for the production of income.
 - (2) Add an amount equal to five per cent of intangible income deducted under division (B)(1) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in section 1221 of the Internal Revenue Code.
 - (3) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code.
 - (4)
 - (a) Except as provided in division (B)(4)(b) of this section, deduct income and gain included in federal taxable income to the extent the income and gain directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code.
 - (b) Division (B)(4)(a) of this section does not apply to the extent the income or gain is income or gain described in section 1245 or 1250 of the Internal Revenue Code.
 - (5) Add taxes on or measured by net income allowed as a deduction in the computation of federal taxable income.
 - (6) In the case of a real estate investment trust or regulated investment company, add all amounts with respect to dividends to, distributions to, or amounts set aside for or credited to the benefit of investors and allowed as a deduction in the computation of federal taxable income.

- (7) Deduct, to the extent not otherwise deducted or excluded in computing federal taxable income, any income derived from a transfer agreement or from the enterprise transferred under that agreement under section 4313.02 of the Revised Code.
- (8) Deduct exempt income to the extent not otherwise deducted or excluded in computing adjusted federal taxable income.
- (9) Deduct any net profit of a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that net profit in the group's federal taxable income in accordance with division (E)(3)(b) of section 183.36 of the Codified Ordinances.
- (10) Add any loss incurred by a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that loss in the group's federal taxable income in accordance with division (E)(3)(b) of section 183.36 of the Codified Ordinances.

If the taxpayer is not a C corporation, is not a disregarded entity that has made the election described in division (47)(B)(i) of section 183.03 of the Codified Ordinances, and is not a publicly traded partnership that has made the election described in division (23)(D)(ii) of section 183.03 of the Codified Ordinances, the taxpayer shall compute adjusted federal taxable income under this section as if the taxpayer were a C corporation, except guaranteed payments and other similar amounts paid or accrued to a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deductible expense unless such payments are in consideration for the use of capital and treated as payment of interest under section 469 of the Internal Revenue Code or United States treasury regulations. Amounts paid or accrued to a qualified self-employed retirement plan with respect to a partner, former partner, shareholder, former shareholder, member, or former member of the taxpayer, amounts paid or accrued to or for health insurance for a partner, former partner, shareholder, former shareholder, member, or former member, and amounts paid or accrued to or for life insurance for a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deduction.

Nothing in division (B) of this section shall be construed as allowing the taxpayer to add or deduct any amount more than once or shall be construed as allowing any taxpayer to deduct any amount paid to or accrued for purposes of federal self-employment tax.

- (C) "Taxpayer" has the same meaning as in section 183.03 (47)(A) of the Codified Ordinances, except that "taxpayer" does not include natural persons or entities subject to the tax imposed under Chapter 5745. of the Revised Code. "Taxpayer" may include receivers, assignees, or trustees in bankruptcy when such persons are required to assume the role of a taxpayer.
- (D) "Tax return" or "return" means the notifications and reports required to be filed pursuant to sections 183.30 to 183.45 of the Codified Ordinances for the purpose of reporting municipal income taxes, and includes declarations of estimated tax.

The tax commissioner may prescribe by rule an appropriate period as the taxable year for a taxpayer that has had a change of its taxable year for federal income tax purposes, for a taxpayer that has two or more short taxable years for federal income tax purposes as the result of a change of ownership, or for a new taxpayer that would otherwise have no taxable year.

183.32 APPLICABILITY; TAXABLE SITUS; APPORTIONMENT.

This section applies to any taxpayer that is engaged in a business or profession in the City of Clayton and that has made the election under section 183.30 of the Codified Ordinances.

- (A) Except as otherwise provided in division (B) of this section, net profit from a business or profession conducted both within and without the boundaries of City of Clayton shall be considered as having a taxable situs in City of Clayton for purposes of municipal income taxation in the same proportion as the average ratio of the following:
- (1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in City of Clayton during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.
As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;
 - (2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in City of Clayton to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section 183.052 of the Codified Ordinances;
 - (3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the City of Clayton to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.
- (B) (1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the City of Clayton, the taxpayer may request, or the tax commissioner may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

- (a) Separate accounting;
 - (b) The exclusion of one or more of the factors;
 - (c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;
 - (d) A modification of one or more of the factors.
 - (2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax commissioner denies the request in an assessment issued within the period prescribed by division (A) of section 183.40 of the Codified Ordinances.
 - (3) The tax commissioner may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 183.40 of the Codified Ordinances.
- (C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:
- (1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:
 - (a) The employer;
 - (b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;
 - (c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.
 - (2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;
 - (3) Any other location, if the tax commissioner determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the tax commissioner makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the tax commissioner's determination was unreasonable.
- (D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be sited to the City of Clayton as follows:
- (1) Gross receipts from the sale of tangible personal property shall be sited to the City of Clayton only if, regardless of where title passes, the property meets either of the following criteria:
 - (a) The property is shipped to or delivered within the City of Clayton from a stock of goods located within the City of Clayton.

- (b) The property is delivered within the City of Clayton from a location outside the City of Clayton, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City of Clayton and the sales result from such solicitation or promotion.
- (2) Gross receipts from the sale of services shall be situated to the City of Clayton to the extent that such services are performed in the City of Clayton.
- (3) To the extent included in income, gross receipts from the sale of real property located in the City of Clayton shall be situated to the City of Clayton.
- (4) To the extent included in income, gross receipts from rents and royalties from real property located in the City of Clayton shall be situated to the City of Clayton.
- (5) Gross receipts from rents and royalties from tangible personal property shall be situated to the City of Clayton based upon the extent to which the tangible personal property is used in the City of Clayton.
- (E) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the City of Clayton in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to the City of Clayton based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the City of Clayton to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.
- (F) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (11)(L) and (34)(A)(4) of section 183.03 of the Codified Ordinances by the City of Clayton or substantially similar provision of the codified ordinances of another municipal corporation, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to the City of Clayton. In no case shall a taxpayer be required to add to its net profit that was apportioned to the City of Clayton any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.
This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to the City of Clayton under this section.
- (G) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity. (Ord. 0-02-18-03. Passed 2-15-18.)

183.33 INFORMATION PROVIDED TO TAX ADMINISTRATORS; CONFIDENTIALITY.

(A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by sections 183.30 to 183.45 of the Codified Ordinances is confidential, and no person shall disclose such information, except for official purposes, in accordance with a proper judicial order, or as provided in section 4123.271 or 5703.21 of the Revised Code. The tax commissioner may furnish the internal revenue service with copies of returns filed. This section does not prohibit the publication of statistics in a form which does not disclose information with respect to particular taxpayers.

(B) In May and November of each year, the tax commissioner shall provide the City of Clayton tax administrator with the following information for every taxpayer that filed tax returns with the commissioner under sections 183.30 to 183.45 of the Codified Ordinances and that had municipal taxable income apportionable to the City of Clayton under this chapter for any prior year:

(C) Not later than thirty days after each distribution made to municipal corporations under section 718.83 of the Revised Code, the tax commissioner shall provide to the City of Clayton a report stating the name and federal identification number of every taxpayer that made estimated payments that are attributable to the City of Clayton and the amount of each such taxpayer's estimated payment.

(D) The information described under divisions (B) and (C) of this section shall be provided to the individual or individuals designated by the City of Clayton tax administrator under section 718.83(D) of the Revised Code.

- (E) (1) The City of Clayton expects that the tax commissioner will, pursuant to section 718.84(E) of the Revised Code, provide tax returns and other information it receives in the performance of its administration of the municipal net profits tax for taxpayers making the election provided in section 183.30 of the Codified Ordinances. The tax administrator shall review these returns and information, as well as the information received pursuant to divisions (B) and (C) of this section, and has discretion to refer any taxpayer for audit by the tax commissioner. Such referral shall be made on a form prescribed by the commissioner and shall include any information that forms the basis for the referral.
- (2) If the tax commissioner declines to audit a taxpayer referred by the tax administrator under this section, the City of Clayton reserves its right to pursue any and all remedies, whether at law or in equity, to ensure that the correct tax liability has been calculated and paid by the taxpayer.
(Ord. 0-02-18-03. Passed 2-15-18.)

183.34 FILING OF ANNUAL RETURN; REMITTANCE; DISPOSITION OF FUNDS.

- (A) (1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 183.38 of the Codified Ordinances, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year.

- (2) If a taxpayer has multiple taxable years ending within one calendar year, the taxpayer shall aggregate the facts and figures necessary to compute the tax due under this chapter, in accordance with sections 183.31, 183.32, and, if applicable, 183.36 of the Codified Ordinances onto its annual return.
 - (3) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required.
- (B)
- (1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.
 - (2)
 - (a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 183.30 to 183.45 of the Codified Ordinances, copies of any relevant documents or other information.
 - (b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.
 - (3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.
- (D)
- (1)
 - (a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a tax return with the commissioner under this section. The extended due date of the return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.
 - (b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the commissioner grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the commissioner receives the request on or before the date the municipal income tax return is due, the commissioner shall grant the taxpayer's extension request.
 - (c) An extension of time to file under division (D)(1) of this section is not an extension of the time to pay any tax due unless the tax commissioner grants an extension of that date.
 - (2) If the commissioner considers it necessary in order to ensure payment of a tax imposed in accordance with section 183.011 of the Codified Ordinances, the commissioner may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(E) Each return required to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax commissioner about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the commissioner to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the commissioner with information that is missing from the return, to contact the commissioner for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the commissioner and has shown to the preparer or other person.

(F) When income tax returns or other documents require the signature of a tax return preparer, the tax commissioner shall accept a facsimile or electronic version of such a signature in lieu of a manual signature. (Ord. 0-02-18-03. Passed 2-15-18.)

183.35 ELECTRONIC FILING.

(A) All taxpayers that have made the election allowed under section 183.30 of the Codified Ordinances shall file any tax return or extension for filing a tax return, and shall make payment of amounts shown to be due on such returns, electronically, either through the Ohio business gateway or in another manner as prescribed by the tax commissioner.

(B) A taxpayer may apply to the commissioner, on a form prescribed by the commissioner, to be excused from the requirement to file returns and make payments electronically. For good cause shown, the commissioner may excuse the applicant from the requirement and permit the applicant to file the returns or make the payments by nonelectronic means.

- (C) The tax commissioner may adopt rules establishing the following:
- (1) The format of documents to be used by taxpayers to file returns and make payments by electronic means;
 - (2) The information taxpayers must submit when filing tax returns by electronic means. (Ord. 0-02-18-03. Passed 2-15-18.)

183.36 CONSOLIDATED RETURNS.

- (A) As used in this section:
- (1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.
 - (2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.
 - (3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (A)(1) of this section.

- (4) "Incumbent local exchange carrier" has the same meaning as in section 4927.01 of the Revised Code.
 - (5) "Local exchange telephone service" has the same meaning as in section 5727.01 of the Revised Code.
- (B)
- (1) A taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated tax return for a taxable year if at least one member of the affiliated group of corporations is subject to municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year. The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law. The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated tax returns under division (B)(2) of this section or a taxpayer receives permission from the tax commissioner. The tax commissioner shall approve such a request for good cause shown.
 - (2) An election to discontinue filing consolidated tax returns under this section must be made on or before the fifteenth day of the fourth month of the year following the last year of a five-year consolidated tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated tax return is binding for a five-year period beginning with the first taxable year of the election.
 - (3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.
 - (4) When a taxpayer makes the election allowed under section 183.30 of the Codified Ordinances, a valid election made by the taxpayer under division (B)(1) or (2) of section 183.063 of the Codified Ordinances is binding upon the tax commissioner for the remainder of the five-year period.
 - (5) When an election made under section 183.30 of the Codified Ordinances is terminated, a valid election made under this section is binding upon the tax administrator for the remainder of the five-year period.

(C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated tax return for that taxable year if the tax commissioner determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to a municipal corporation. A taxpayer that is required to file a consolidated tax return for a taxable year shall file a consolidated tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the commissioner to file a separate return or a taxpayer has experienced a change in circumstances.

(D) A taxpayer shall prepare a consolidated tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

- (E) (1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated tax return shall compute adjusted federal taxable income, as defined in section 183.31 of the Codified Ordinances, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.
- (2) No corporation filing a consolidated tax return shall make any adjustment otherwise required under division (B) of section 183.31 of the Codified Ordinances to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.
- (3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:
- (a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 183.32 of the Codified Ordinances, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.
- (b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section 183.32 of the Codified Ordinances, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.
- (4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:
- (a) The corporation filing the consolidated tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in section 183.32 of the Codified Ordinances, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;

- (b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with sections 183.30 to 183.45 of the Codified Ordinances on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(F) Corporations filing a consolidated tax return shall make the computations required under section 183.32 of the Codified Ordinances by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(G) Each corporation filing a consolidated tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts applicable under section 183.30 to 183.45 of the Codified Ordinances or Chapter 5703. of the Revised Code to the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group. (Ord. 0-02-18-03. Passed 2-15-18.)

183.37 FAILURE TO PAY TAX.

If a taxpayer that has made the election allowed under 183.30 of the Codified Ordinances fails to pay any tax as required under sections 183.30 to 183.45 of the Codified Ordinances, or any portion of that tax, on or before the date prescribed for its payment, interest shall be assessed, collected, and paid, in the same manner as the tax, upon such unpaid amount at the rate per annum prescribed by section 5703.47 of the Revised Code from the date prescribed for its payment until it is paid or until the date an assessment is issued under section 183.40 of the Codified Ordinances, whichever occurs first. (Ord. 0-02-18-03. Passed 2-15-18.)

183.38 DECLARATION OF ESTIMATED TAXES.

- (A) As used in this section:
- (1) "Combined tax liability" means the total amount of a taxpayer's income tax liabilities to all municipal corporations in this state for a taxable year.
 - (2) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's combined tax liability for the current taxable year.
- (B)
- (1) Except as provided in division (B)(4) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax commissioner, if the amount payable as estimated taxes is at least two hundred dollars.
 - (2) Except as provided in division (B)(4) of this section, a taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner.
 - (3) The declaration of estimated taxes shall be filed on or before the fifteenth day of the fourth month after the beginning of the taxable year or on or before the fifteenth day of the fourth month after the taxpayer becomes subject to tax for the first time.
 - (4) The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

(C) Each taxpayer shall file the declaration of estimated taxes with, and remit estimated taxes to, the tax commissioner at the times and in the amounts prescribed in division (C)(1) of this section. Remitted taxes shall be made payable to the treasurer of state.

- (1) The required portion of the combined tax liability for the taxable year that shall be paid through estimated taxes shall be as follows:
 - (a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the combined tax liability for the taxable year;
 - (b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the combined tax liability for the taxable year;
 - (c) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the combined tax liability for the taxable year;
 - (d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the combined tax liability for the taxable year.
- (2) If the taxpayer determines that its declaration of estimated taxes will not accurately reflect the taxpayer's tax liability for the taxable year, the taxpayer shall increase or decrease, as appropriate, its subsequent payments in equal installments to result in a more accurate payment of estimated taxes.
- (3)
 - (a) Each taxpayer shall report on the declaration of estimated taxes the portion of the remittance that the taxpayer estimates that it owes to each municipal corporation for the taxable year.
 - (b) Upon receiving a payment of estimated taxes under this section, the commissioner shall immediately forward the payment to the treasurer of state. The treasurer shall credit the payment in the same manner as in division (B) of section 718.85 of the Revised Code.
- (D) (1) In the case of any underpayment of estimated taxes, there shall be added to the taxes an amount determined at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:
 - (a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (b) For the second payment of estimated taxes each year, forty-five per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;
 - (d) For the fourth payment of estimated taxes each year, ninety per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment.

- (2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently due.
- (3) All amounts collected under this section shall be considered as taxes collected under sections 183.30 to 183.45 of the Codified Ordinances and shall be credited and distributed to municipal corporations in accordance with section 718.83 of the Revised Code.

(E) An underpayment of any portion of a combined tax liability shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

- (1) The amount of estimated taxes that were paid equals at least ninety per cent of the combined tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.
- (2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a municipal income tax return for that year.
(Ord. 0-02-18-03. Passed 2-15-18.)

183.39 ADDITIONAL PENALTIES.

(A) In addition to any other penalty imposed by sections 183.30 to 183.45 of the Codified Ordinances or Chapter 5703. of the Revised Code, the following penalties shall apply:

- (1) If a taxpayer required to file a tax return under sections 183.30 to 183.45 of the Codified Ordinances fails to make and file the return within the time prescribed, including any extensions of time granted by the tax commissioner, the commissioner may impose a penalty not exceeding twenty-five dollars per month or fraction of a month, for each month or fraction of a month elapsing between the due date, including extensions of the due date, and the date on which the return is filed. The aggregate penalty, per instance, under this division shall not exceed one hundred fifty dollars.
- (2) If a person required to file a tax return electronically under sections 183.30 to 183.45 of the Codified Ordinances fails to do so, the commissioner may impose a penalty not to exceed the following:
 - (a) For each of the first two failures, five per cent of the amount required to be reported on the return;
 - (b) For the third and any subsequent failure, ten per cent of the amount required to be reported on the return.
- (3) If a taxpayer that has made the election allowed under section 183.30 of the Codified Ordinances fails to timely pay an amount of tax required to be paid under this chapter, the commissioner may impose a penalty equal to fifteen per cent of the amount not timely paid.

- (4) If a taxpayer files what purports to be a tax return required by sections 183.30 to 183.45 of the Codified Ordinances that does not contain information upon which the substantial correctness of the return may be judged or contains information that on its face indicates that the return is substantially incorrect, and the filing of the return in that manner is due to a position that is frivolous or a desire that is apparent from the return to delay or impede the administration of sections 183.30 to 183.45 of the Codified Ordinances, a penalty of up to five hundred dollars may be imposed.
- (5) If a taxpayer makes a fraudulent attempt to evade the reporting or payment of the tax required to be shown on any return required under sections 183.30 to 183.45 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return.
- (6) If any person makes a false or fraudulent claim for a refund under section 183.41 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 183.40 of the Codified Ordinances without regard to any time limitation for the assessment imposed by division (A) of that section.

(B) For purposes of this section, the tax required to be shown on a tax return shall be reduced by the amount of any part of the tax paid on or before the date, including any extensions of the date, prescribed for filing the return.

(C) Each penalty imposed under this section shall be in addition to any other penalty imposed under this section. All or part of any penalty imposed under this section may be abated by the tax commissioner. The commissioner may adopt rules governing the imposition and abatement of such penalties.

(D) All amounts collected under this section shall be considered as taxes collected under sections 183.30 to 183.45 of the Codified Ordinances and shall be credited and distributed to municipal corporations in the same proportion as the underlying tax liability is required to be distributed to such municipal corporations under section 718.83 of the Revised Code. (Ord. 0-02-18-03. Passed 2-15-18.)

183.40 ASSESSMENTS AGAINST TAXPAYER.

(A) If any taxpayer required to file a return under section 183.30 to 183.45 of the Codified Ordinances fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the taxpayer for any deficiency for the period for which the return or tax is due, based upon any information in the commissioner's possession. The tax commissioner shall not make or issue an assessment against a taxpayer more than three years after the later of the date the return subject to assessment was required to be filed or the date the return was filed. Such time limit may be extended if both the taxpayer and the commissioner

consent in writing to the extension. Any such extension shall extend the three-year time limit in section 183.41 of the Codified Ordinances for the same period of time. There shall be no bar or limit to an assessment against a taxpayer that fails to file a return subject to assessment as required by sections 183.30 to 183.45 of the Codified Ordinances, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected under this section shall be credited to the municipal income tax fund and distributed to the municipal corporation to which the money is owed based on the assessment issued under this section.

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative

in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the taxpayer assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment is pending, the taxpayer may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 183.41 of the Codified Ordinances, with interest on that amount as provided by that section. (Ord. 0-02-18-03. Passed 2-15-18.)

183.41 REFUND APPLICATIONS.

(A) An application to refund to a taxpayer the amount of taxes paid on any illegal, erroneous, or excessive payment of tax under sections 183.30 to 183.45 of the Codified Ordinances, including assessments, shall be filed with the tax commissioner within three years after the date of the illegal, erroneous, or excessive payment of the tax, or within any additional period allowed by division (A) of section 183.40 of the Codified Ordinances. The application shall be filed in the form prescribed by the tax commissioner.

- (B) (1) On the filing of a refund application, the tax commissioner shall determine the amount of refund to which the applicant is entitled. The amount determined shall be based on the amount overpaid per return or assessment. If the amount is greater than ten dollars and not less than that claimed, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the tax refund fund created in section 5703.052 of the Revised Code. If the amount is greater than ten dollars but less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.
- (2) Upon issuance of a refund under this section, the commissioner shall notify each municipal corporation of the amount refunded to the taxpayer attributable to that municipal corporation, which shall be deducted from the municipal corporation's next distribution under section 718.83 of the Revised Code.

(C) Any portion of a refund determined under division (B) of this section that is not issued within ninety days after such determination shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninety-first day after such determination until the day the refund is paid or credited. On an illegal or erroneous assessment, interest shall be paid at that rate from the date of payment on the illegal or erroneous assessment until the day the refund is paid or credited. (Ord. 0-02-18-03. Passed 2-15-18.)

183.42 AMENDED RETURNS.

(A) If any of the facts, figures, computations, or attachments required in an annual return filed by a taxpayer that has made the election allowed under section 183.30 of the Codified Ordinances and used to determine the tax due under sections 183.30 to 183.45 of the Codified Ordinances must be altered as the result of an adjustment to the taxpayer's federal income tax return, whether initiated by the taxpayer or the internal revenue service, and such alteration affects the taxpayer's tax liability under those sections, the taxpayer shall file an amended return with the tax commissioner in such form as the commissioner requires. The amended return shall be filed not later than sixty days after the adjustment is agreed upon or finally determined for federal income tax purposes or after any federal income tax deficiency or refund, or the abatement or credit resulting therefrom, has been assessed or paid, whichever occurs first. If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the commissioner before filing the amended return.

(B) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. An amended return required by this section is a return subject to assessment under section 183.40 of the Codified Ordinances for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. The amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal tax return.

(C) In the case of an overpayment, an application for refund may be filed under this division within the sixty-day period prescribed for filing the amended return, even if that period extends beyond the period prescribed in section 183.41 of the Codified Ordinances, if the application otherwise conforms to the requirements of that section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed in section 183.41 of the Codified Ordinances. The application shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.
(Ord. 0-02-18-03. Passed 2-15-18.)

183.43 EXAMINATION OF RECORDS AND OTHER DOCUMENTS AND PERSONS.

(A) The tax commissioner, or any authorized agent or employee thereof, may examine the books, papers, records, and federal and state income tax returns of any taxpayer or other person that is subject to sections 183.30 to 183.45 of the Codified Ordinances for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due as required under those sections. Upon written request by the commissioner or a duly authorized agent or employee thereof, every taxpayer or other person subject to this section is required to furnish the opportunity for the commissioner, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer or other person that is subject to sections 183.30 to 183.45 of the Codified Ordinances shall be open to the tax commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation.

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control.

The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply. (Ord. 0-02-18-03. Passed 2-15-18.)

183.44 CREDITS.

(A) A credit, granted by resolution or ordinance of the City of Clayton pursuant to section 183.064 or 183.065 of the Codified Ordinances, shall be available to a taxpayer that has made the election allowed under section 183.30 of the Codified Ordinances, against the municipal corporation's tax on income. A municipal corporation shall submit the following information to the tax commissioner on or before the later of January 31, 2018, or the thirty-first day of January of the first year in which the taxpayer is eligible to receive the credit:

 - (2) Such documentation shall be provided in the form prescribed by the tax commissioner.
 - (3) Nothing in this section shall be construed to authorize the tax commissioner to enter into an agreement with a taxpayer to grant a credit, to determine if a taxpayer meets the conditions of a tax credit agreement entered into by the City of Clayton and taxpayer under section 183.064 or 183.065 of the Codified Ordinances, or to modify the terms or conditions of any such existing agreement. (Ord. 0-02-18-03. Passed 2-15-18.)

(B) Each instance of access or disclosure in violation of division (A) of section 183.33 of the Codified Ordinances constitutes a separate offense.

(C) These specific penalties shall not be construed to prevent the City of Clayton from prosecuting any and all other offenses that may apply. (Ord. 0-02-18-03. Passed 2-15-18.)
